

# Bio Stone - Eco Terrazzo

Ecologically Recycled Stones and Terrazzo

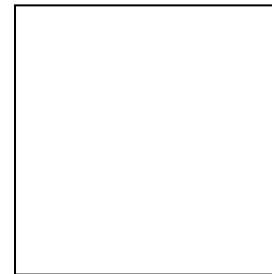

# Eco-Caementum

Recycling and selecting the waste material resulting from the stone and construction industry, **BioStone - EcoTerrazzo** brings eco-friendly natural products to market, in order to meet the Commitment to a New Industrial Policy based on the Circular Economy.

The products are not only 100% eco-compatible, but also renewable, recyclable and of high technical and aesthetic quality.

## formati disponibili

available sizes

60x60  
24"x24"

30x60  
12"x24"
